MEMORANDUM

TO: Property Owners of Lake Metigoshe Back Lots  
RE: Permitted Development With No Sewer Service Available

Dear Lake Metigoshe Property Owner:

At its July 8 meeting, the Roland Township Board held a discussion regarding the use of back lots platted at Lake Metigoshe which do not currently have sewer service from the Lake Metigoshe Recreation Service District. The intention is that these lots are for “dry” use only, as in storage buildings without plumbing.

It may be possible to temporarily use RVs or campers with holding tanks, permitted on an annual basis, with acceptable means of disposal to be assured by the owner.

Until sewer service becomes available, permanent structures which include living quarters will not be approved.

If you have further questions, feel free to contact the zoning administrator or any supervisor listed above. Questions for the Lake Metigoshe Recreation Service District can be directed to 263-4624.

Thank you for your cooperation in the good of the township.

Vern Jacobson, Chairman  
Board of Supervisors
