**DAMAGE TO ROADWAY**

If, during any activity related to this permit, including access to sewer structures, a township roadway is disturbed, damaged, or otherwise altered, it shall be the responsibility of the owner/contractor to repair and rebuild the disturbed portion of the roadway. Any damage to the roadway, including asphalt, road base or surface of the roadway will be restored to its former appearance and condition.

All work in progress is subject to random inspection and approval of the Township Zoning Administrator. Failure to properly restore the roadway in a timely manner will result in the township making or contracting such repairs, and the owner/contractor agrees to pay all costs and expenses associated with such repairs.  
 Applicant/Permittee Initials to Acknowledge Acceptance: \_\_\_\_\_

NOTE: Permit is valid for ONE year. All construction and/or improvements not completed within this time frame shall require a new permit before project can continue. The applicant shall conform to all provisions of the Roland Township Zoning Ordinance, unless a specific variance from the Ordinance is granted by the Zoning Board of Appeals in regard to this Permit. It shall be the responsibility of the Property Owner to insure that all necessary permits and authorizations are obtained before commencing construction of any structure. In addition, the Property Owner shall insure that all applicable ELECTRICAL and PLUMBING inspections are performed as required by law.

The Applicant/Permittee agrees to comply with the provision/s of the Roland Township Zoning Ordinance, and the Damage to Roadway noted above, with the understanding that if any Construction/Improvement does not comply with the provision/s of the Ordinance or specific Variance, it shall be removed.
